NYLON TRANSPORTATION SIGNS

100% heavy nylon signs with a water repellent finish are lightweight, washable, and unaffected by hot or cold weather. Long lasting and tear resistant by design, these signs feature a strong 1" nylon webbing. Nylon webbing extends 2' from all sides of the sign. Will not rub chrome or painted finishes. Each sign has 6 extra strong grommets, one in each corner and 2 in the center. The best, most durable sign on the market.
